Harrison Educational Foundation

- 1. Please give a detailed description of your proposed program. You may attach supporting information, if helpful. Identify the academic skills, interpersonal skills or character traits that might be developed, specifically identifying the curricular connection.**
- 2. What do you expect will be achieved by this grant and what metric can be used to measure results?**
- 3. Please provide an itemized budget for your project (include cost of all equipment, supplies, labor, shipping & handling, etc.).**
- 4. Has this project been submitted for funding through another source, such as your school's PTA, the district budget, etc.? Should it be?**
- 5. How would you propose publicizing the significance of the grant, source of funding and ultimate outcome?**
